

PART V: WRITING (20 points)

Instructions: Choose ONE of the following topics and write a well-organized three-paragraph **ESSAY** (Introduction, body paragraph, and conclusion) between 250-300 words. Please pay attention to the types of essays.

1. The environment in which people live in the 21st century greatly contributes to the development of depression. What are the causes and/or effects of depression? Explain your ideas by giving reasons and examples.
2. Increasing the price of petrol is the best way to solve growing traffic and pollution problems. What measures do you think should be taken?
3. Some people think that parents should teach children how to be good members of society. Others, however, believe that school is the place to learn this. Which idea do you support? Explain your ideas by using specific reasons and examples.

OUTLINE: *The space given below is for those who may want to make an outline before starting writing. (Your outline will not be evaluated.)*
